

Chess Club Assistant (Saturday mornings in Ridgefield)

Are you a chess enthusiast who loves sharing the game with the next generation? **Way of the Board Chess Club** is looking for an assistant to help our younger players level up their skills!

We run beginner and intermediate classes on **Saturdays from 9:30 AM to 11:00 AM** using the *Chess Steps* curriculum. You'll be working alongside our main instructor to keep classes engaging, supportive, and fun.

The Details:

- **Pay:** \$30 per day (after a 2-week trial period).
- **Flexibility:** Perfect for busy schedules—it's okay if you need to miss an occasional Saturday!
- **Location:** Ridgefield, CT.

What We're Looking For:

- You are **18 or older** with reliable transportation.
- You have a solid grasp of the game (a peak US Chess rating of 800+ is a plus, but not a dealbreaker).
- You have some experience working with kids, teaching, or camp counseling.
- You can pass a standard background check before starting.
